MEMORANDUM FOR: Deputy Director of Training

SUBJECT: ATD Weekly Activity Report No. 47:  
17 through 24 November 1953

I. NEW ACTIVITIES.

None.

II. OLD ACTIVITIES.

- a. Chief Instructor, Order of Battle Course, and Chief Instructor, Communist Party Operations Course, have worked out forms for student evaluations and are currently engaged in the preparation of evaluations for the students who have just finished these courses. This will be the first time that evaluations have been made in these particular courses. In addition, it should be noted that testing materials are being developed in the CPO Course. In the next running of the CPO Course, it is planned to test the students on the first day, using the quiz on Communism given in the Basic Intelligence Course in order to ascertain what basic information students have when they enter this specialized course.
- b. Approval having been received to lengthen the [ ] Course to four weeks and the CPO Course to three weeks, the instructors concerned are going ahead with plans to revise their presentations in terms of additional time.
- c. During the past week, the undersigned conferred at length with the various chief instructors to arrive at a satisfactory long-term schedule of course offerings. This proposal has been submitted to Chief, Plans and Programs Staff. In light of Mr. Helm's memorandum indicating a requirement for Order of Battle training it is planned to continue this course and it has been incorporated in this schedule.

III. PERSONNEL CHANGES.

None.

This document part of classified integrated file. NAME CHECK required prior to individual classification action.
